

Going for an Interview? Crucial Questions to Ask Your Future Manager

#1 How do you manage succession planning and how do you prepare team members when they are promoted into a management role?

#2 How do you recognise high achievers within this organisation?

#3 How do you balance risk and autonomy and how do you develop confidence within individuals?

#4 How do you allocate cases and how do you determine who is overloaded?

#5 What health and safety policies do you have in place?

#6 What support is offered when a team member experiences emotional distress as a part of their job?
