

A Roadmap to Planning Your Social Worker Career Path

Research the **type of certifications** you can add to your belt to **enhance career growth** opportunities.

Identify and **cultivate transferable skills**. Possessing these skills will **set you apart** from the pack and **create a niche** for your specialty.

Volunteer and share your knowledge via guest lectures and webinars. This will not only **build your brand** as an industry expert but also allow you to **contribute to the profession**.
