

4 Crucial Attributes to Demonstrate in Your Next Interview

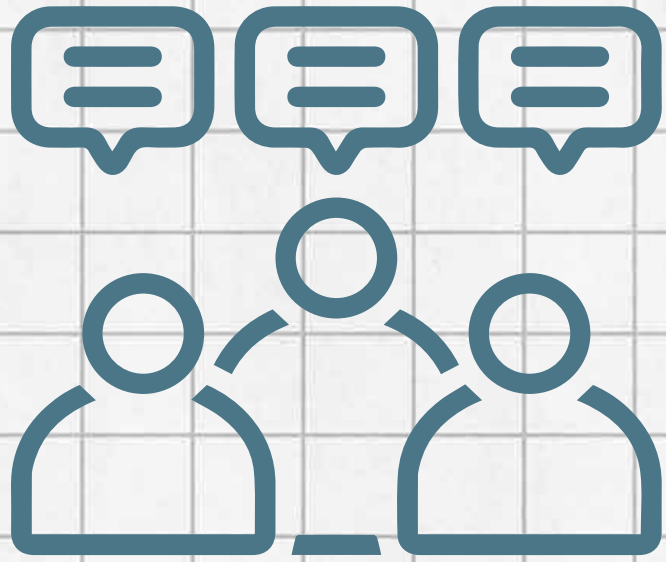

APTITUDE

Demonstrate your knowledge of relevant theories and frameworks. Back these up with your previous job experience.

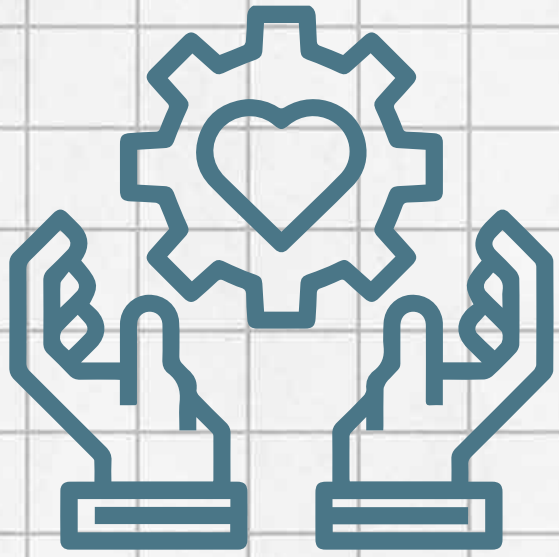

SELF-ASSURANCE

Make sure you understand the position and the responsibilities that come with it. In your replies, do your best to show your ability to work independently, be proactive and self-motivated.

ENTHUSIASM

Organisations want to hire people who are passionate about their work. Speak about what inspires and motivates you to do your job.

SOCIAL SKILLS

People prefer to work with someone who is a team player, gets along well with others, and is willing to take direction or feedback.
